THE HOLIDAY SEASON

Words and music by Mac Huff and John Jacobson

I

Oh, the holiday season is here at last; there's a twinkle in the air.
Celebrate the future, celebrate the past. There is gladness everywhere.
Bells are ringing and folks are singing; everybody's filled with good cheer.
It's the season of love; it's the season of light.
Oh, the holiday season is finally here.

II

Oh, the holiday season is here tonight; look, the snow is coming down.
Celebrate the wonder, celebrate the light. There is joy all over town.
Bells are ringing and folks are singing; everybody's filled with good cheer.
It's the season of love; it's the season of light.
Oh, the holiday season is finally here.

I can always hear it; I know just when it starts.

I can feel the spirit dancing in my heart.

Oh, the holiday season is here at last; there is a twinkle in the air.
Celebrate the future, celebrate the past. There is gladness everywhere.
Bells are ringing and folks are singing; everybody's filled with good cheer.
It's the season of love; it's the season of light.
**Oh, the holiday season is finally, the holiday season is finally, the holiday
season is finally here.**

**ALL STUDENTS, TEACHERS AND FACULTY FROM BASCS WISHES YOU
HAPPY, HAPPY, HAPPY HOLIDAYS!**
